PROJECTS

EduEngage
📅 11/2024 - 12/2024 📍 BHOPAL
Here are the insights of EduEngage
- EduEngage is an innovative student-teacher interaction platform designed to enhance communication and collaboration in education. It provides features like automated attendance using face recognition, real-time discussions, resource sharing, and engagement tracking. Teachers can update their cabin status, allowing students to check in real-time whether a teacher is available. EduEngage also assists students and teachers during project exhibitions, capstone, and apex projects by helping students form teams and get a supervisor assigned, reducing the management's workload.

PHYSIOVEDA: Your Physiotherapy Guide
📅 01/2025 - 03/2025 📍 BHOPAL
Here are the insights of PHYSIOVEDA
- PHYSIOVEDA is a smart app designed to help individuals manage body aches and recover from injuries with tailored physiotherapy exercises. It also provides basic medication suggestions to support therapy sessions. Featuring an AI-powered feedback system to track progress and a personal chatbot for 24/7 assistance, PHYSIOVEDA ensures a holistic and user-friendly recovery experience.

SUMMARY

Aspiring full stack web developer and AI enthusiast, currently pursuing B.Tech in Computer Science Engineering at VIT Bhopal University. Experience working with basic and intermediate AI models with the skills to develop innovative platforms. Having a 6 years coding background in java programming I am also proficient in problem solving skills.
